Professional Summary

Licensed Registered Nurse (RN) and Practical Nurse (PN) with 6 years of hands-on experience delivering high-quality patient care across emergency, cardiac, surgical, and general medical settings. Officially certified by the Ministry of Vocational and Technical Education, ranked 5th nationwide and 3rd in the nursing sector. Subsequently, granted dual nursing work licenses by the Ministry of Public Health. Proven expertise in critical decision-making, multidisciplinary collaboration, and quality improvement initiatives, including KPI tracking and PDSA cycle implementation. Committed to patient-centered care, clinical excellence, and health system compliance in high-pressure environments.

Core Competencies

- Clinical Decision Making Under Pressure
- Multidisciplinary Team Collaboration
- Quality Improvement Programs (QIP)
- KPI Tracking & Reporting
- Patient-Centered Care Delivery
- Health System Compliance
- Plan-Do-Study-Act (PDSA) Implementation

Experience

AL ZAHRAA UNIVERSITY MEDICAL CENTER

Registered Nurse | *January 2023 – Present*

- Delivering acute care in the Emergency Room, Cardiac Care Unit (CCU), and general wards, managing a wide range of critical and post-surgical cases.
- Collaborating with physicians and specialists to implement care plans tailored to patient needs.
- Conducting patient education, ensured adherence to medication regimens, and performed wound care.
- Supporting quality improvement efforts, tracking KPIs and executing PDSA (Plan-Do-Study-Act) cycles to enhance care delivery and patient outcomes.

Practical Nurse | *January 2020 – December 2022*

- Assisted in surgical and orthopedic wards, providing hands-on care including dressing, mobility assistance, and vital sign monitoring.
- Supported emergency response teams with patient stabilization and triage procedures.
- Maintained detailed documentation in EHR systems and ensured compliance with health and safety protocols.
- Played a key role in patient admission, discharge, and care coordination processes.
