

RABIH [REDACTED]

Registered Nurse | Clinical Instructor

[REDACTED] | Open to relocation

Professional Summary

Compassionate and dedicated Registered Nurse with 12+ years of clinical practice spanning Emergency Rooms (ER), Critical Care Units (CCU), inpatient medicine, and COVID-response campaigns across Lebanon's top hospitals. Known for staying calm under pressure, optimizing patient flow, and upholding high standards in infection control, medication safety, and team collaboration. Experienced in supervising nursing units, mentoring students, and coordinating with NGOs like the World Health Organization and Red Cross. Holds a BS in Nursing and an MBA in Business Administration, with continuous training in BLS, CPR, and Critical Care. Trusted for precision, leadership, and unwavering care.

Core Competencies

- Emergency & Critical Care (ER, CCU)
- Nursing Team Supervision & Shift Coordination
- Triage & Admission Flow Optimization
- Basic Life Support (BLS), CPR, Infection Control
- COVID-19 Response & Vaccination Campaigns
- Clinical Teaching & Training (BT/TS Programs)
- Electronic Health Records & Documentation
- Medication Administration & Patient Safety.

Experience

BSH (Beirut Specialty Hospital)

Incharged Nurse – Medicine Floor | Beirut, Lebanon | 01.2025 – 06.2025

- Supervised a team of nurses, ensuring proper handoffs, clinical accuracy, and timely treatment delivery.
- Maintained zero medication administration errors through regular audits and nurse coaching.
- Delivered training on documentation standards, infection protocols, and nursing procedures.

Tebnine Governmental Hospital

Patient Admission Flow Manager | Tebnine, Lebanon | 01.2024 – 12.2024

- Streamlined the ER-to-ward admission process to reduce patient wait times and optimize turnover.
- Coordinated with triage, ICU, and ward teams to manage bed availability and patient discharges.
- Implemented documentation improvements for timely reporting and patient record accuracy.

Supervisor Coordinator | Tebnine, Lebanon | 01.2023 – 12.2023

- Led daily operations across ER and inpatient wards, allocating nursing staff and ensuring care continuity.
- Oversaw compliance with Ministry of Health regulations and internal audit standards.
- Coordinated across departments to handle surges in patient volume with minimal incident escalation.

Zahraa University Hospital

Registered Nurse – ER Department | Beirut, Lebanon | 2021-2022

- Treated high-acuity trauma and medical emergencies with rapid triage, vital sign monitoring, and stabilization.
- Supported CPR/BLS refreshers for junior staff, contributing to skill readiness across shifts.

World Health Organization & Lebanese Red Cross

Registered Nurse – COVID-19 Projects & Vaccination Campaigns | Lebanon | 2020-2022

- Administered thousands of vaccine doses across mobile clinics and public health centers.
- Managed patient education, post-vaccine observation, and emergency referrals for adverse events.
- Trained volunteers and ensured proper PPE use and infection control across campaign sites.

Rafic Hariri University Hospital (RHUH)

Registered Nurse – Medicine & ER Departments | Beirut, Lebanon | 2020

- Provided care to patients with chronic conditions, infections, and surgical recovery needs
- Handled wound dressing, IV therapy, ECG monitoring, and urgent case stabilization

Zahra Medical Hospital

Coordinator Supervisor | Dubai, United Arab Emirates | 2019-2020

- Oversaw nursing staff schedules, shift planning, and daily floor coordination to ensure smooth clinical operations across departments.
- Facilitated interdisciplinary communication between nurses, physicians, and administrative teams to streamline patient care delivery
- Monitored adherence to safety protocols, infection control measures, and documentation standards in compliance with UAE healthcare regulations

Hayat Hospital

Incharged Nurse – Medicine & ER Departments | Beirut, Lebanon | 2016-2019

- Delivered emergency care and COVID-specific treatments during peak pandemic phases.
- Assisted in ventilator management, patient transfers, and documentation of isolation protocols.

Boroj Hospital

Registered Nurse – CCU & ER Departments | Beirut, Lebanon | 2014-2015

- Monitored cardiac patients using telemetry and administered medications per physician instructions.
- Managed acute emergencies, including MI, heart failure, and pre/post-op stabilization.

Bahman Hospital

Registered Nurse – CCU Department | Beirut, Lebanon | 2011-2012

- Began nursing career in cardiac care, supporting echocardiograms, oxygen therapy, and critical case management.
- Maintained high standards of documentation accuracy while actively supporting clinical teams in delivering coordinated patient care..

Education

American University of Culture and Education (AUCE),

MBA – Business Administration | Tarragona, Beirut, Lebanon | 2019

Islamic University of Lebanon (IUL)

Bachelor of Science in Nursing | Khaldeh, Lebanon | 2011
